**My name is Rosie Read and I'm the new
immigration attorney at the ACLU of
Wyoming.**

The focus of my work with the ACLU is on providing consultations and representation in individual immigration cases, identifying and combating mistreatment of members of the immigrant community by ICE and law enforcement, and education around the current state of the immigration laws in the United States.

Consultations are available at no cost. If you have questions about an existing immigration case, are wondering what your immigration options are, or feel your rights have been violated, please contact the ACLU of Wyoming to schedule a consultation.
